

## LeanIX Store Terms of Use

The LeanIX Store is a web shop, for purposes of these terms called “LeanIX Store” which allows you and other users, and other interested parties (“You” or “Your”) to use the information, application or integrations created and published by LeanIX (the “LeanIX Contents”) and/or third parties (“Partner Contents”), including but not limited to text, images, photographs, graphics, audio and video, data, code, and software (together “Contents”). Furthermore, the LeanIX Store serves as a marketing and distribution platform for LeanIX companies as well as Partners. Your access and use of the LeanIX Store is subject to the [Terms of Use for SAP Websites](#) in addition to the LeanIX Store specific terms and conditions listed below.

Accessing or licensing of any Content offered on the LeanIX Store is NOT available for consumers, but solely for merchants/corporations and require an existing LeanIX Software. If you are accessing and/or using the SAP Websites on behalf of your employer or as a consultant or agent of a third party (collectively, “your Company”), you represent and warrant that you have the authority to act on behalf of and bind your Company to the terms of this LeanIX Store Terms of Use, and everywhere these LeanIX Terms of Use refer to you or your, shall also include your Company. Furthermore, where you use any marketplace functionality of the LeanIX Store to buy and/or license Contents, you represent and warrant that you have the authority to act on behalf of and bind your Company to the terms of any purchase, rental or licensing agreement concluded with either of the aforementioned entities.

Unless otherwise agreed to in a separate signed writing, your access and use of the LeanIX Store Content is subject to the [Terms of Use for SAP Websites](#) in addition to the LeanIX Store specific terms and conditions contained in Appendix A, attached and incorporated herein by reference. Together the Terms of Use for SAP Websites and the LeanIX Store specific terms and conditions contained in Appendix A shall be referred to as the “LeanIX Store Terms of Use” or “LeanIX Store TOU”. In the event of a conflict between the Terms of Use for SAP Websites and the LeanIX Store specific terms and conditions contained in this document with respect to Your access and use of the LeanIX Store and Content found within the LeanIX Store TOU shall prevail or take precedence. Additionally, Your use of the LeanIX Store and Contents may also be subject to disclaimers, legal notices, click-through agreements, or other legal agreements either between a) You and LeanIX, or b) You and a LeanIX or SAP group company, (any Additional Legal Terms) or c) You and a Partner (any Partner Terms), which may be posted on the LeanIX Store where applicable.

Your access and use of any Contents shall be subject to a separate license agreements (Additional Legal Terms or Partner Terms) made available to You at the time by LeanIX, or a LeanIX or SAP group company or a Partner (as the case may be). For any products or services offered by Partners, only Partner Terms apply to such products and services. Such Partner Terms need to be accepted separately by You. LeanIX is not a party to any agreement between You and a Partner.

### Appendix A – LeanIX Store specific terms and conditions

#### 1. Your information, privacy, and data protection

Where LeanIX through the LeanIX Store temporarily collect and utilize personal information provided by You for the purposes of processing a license or access contract for LeanIX products or products of Partners, collection and processing of such personal information will be treated in compliance with [LeanIX Privacy Statement](#), the Federal German Data Protection Act (Bundesdatenschutzgesetz), and

other applicable legislation. You agree that LeanIX may access, preserve and disclose Your personal information and/or Content if required to do so by law or to:

1. comply with a legal process;
2. respond to claims that any Content violates the rights of third parties or
3. protect the rights, property or personal safety of LeanIX, users of the LeanIX Store, and the public or enable the LeanIX Store to process business transactions (access/licensing of products) between You and a Partner.

You explicitly agree that such information is provided to the respective Partner for the purposes of delivery/distribution and licensing of such Partner Content.

You agree to comply with the terms of the [LeanIX Privacy Statement](#).

## **2. Permissible use of the LeanIX Store**

You agree not to access or utilize the LeanIX Content or access the LeanIX Store for purposes that are inconsistent with LeanIX's legitimate business interests. In particular, You are permitted to use the LeanIX Content and the LeanIX Store only in strict compliance with the terms of this TOU to a) obtain information (so long as that information is not being gathered for a use in any manner which is or could be detrimental to LeanIX (unless such use is otherwise protected by law)), and/or b) to provide feedback or other constructive comments to LeanIX (both positive and negative) and/or c) access and/or license LeanIX products and Partner products through the LeanIX Store. Use of store Content is optional and not part of the business functionality of the LeanIX products. Store based extensions may be discontinued or replaced at any time. Maintenance and support for each extension lies with the respective publisher.

## **3. Marketplace functionality**

LeanIX Store serves as a marketplace for Content which LeanIX or Partners offer to existing LeanIX customers. LeanIX does not become party to an agreement between you and a Partner, but only provides the LeanIX Store as a service/infrastructure provider. LeanIX does not interfere with, and it is not part to, the contractual relationship between you and a Partner in case of conflicts. You agree to solve any conflicts or issues with the Partner directly. Where you license/buy a Third Party Content for or on behalf of your company, the LeanIX Store infrastructure will inform the respective provider of Third Party Content of the transaction. All invoicing/billing for any products offered by third parties will be performed by such third parties (if any). Licensing, purchasing or accessing of LeanIX Materials through the LeanIX Store maybe be subject to additional legal terms. LeanIX or a LeanIX group company only becomes party to a contract with you where LeanIX sells/licenses LeanIX Materials itself.

## **4. Applicable law for LeanIX Store**

The LeanIX Store is created and controlled by LeanIX GmbH in Germany. Therefore, the laws of Germany will govern this LeanIX StoreTOU without giving effect to any principles of conflicts of laws. You also agree to comply with all laws from the country in which You reside that are applicable to the transmission of data on the Internet, including, but, not limited to laws governing the use of encryption and laws governing the transmission of data across international boundaries, into prohibited countries, and containing personally identifiable information.
